CLINTON STORY WILLIAMS

1908 - 1976

Grafton lost one of its outstanding citizens and an important link with the Town's history when Clinton S. Williams died on December 29, 1976.

Clinton S. Williams was a descendant of Samuel Williams, a Revolutionary War pensioner, who came to Grafton from Raynham, Massachusetts, in 1787, and settled on what was to become Williams Hill. Clint was born on June 16, 1908, the third son of Alberto Horace and Anna Gregg (Story) Williams. On November 24, 1928, he married Elsie Fowler, also of Grafton, and lived the rest of his life on Williams Hill next door to the house where he was born.

Clint was educated in the Grafton Center School and attended Proctor Academy. Over a period of time he served the Town of Grafton for almost nineteen years as a selectman, resigning from his most recent term in October, 1976, because of ill health. He held other offices such as constable, supervisor of the check list, and budget committee member. During the years 1935 and 1936, he was Grafton's Representative to the General Court.

Clint was a lumberman by trade. He was one of the last authorities on the history of land owners and property boundaries. He will long be remembered for his honesty and fairness to all.

ABOUT THE COVER

V. W. BLACKMAN
Jy A, 1876

This cutting was found in a ledge that was uncovered by the Road Agent, John Bassett, in the process of widening the road from Slab City over Dean Hill. It is quite a coincidence that it should be found exactly 100 years after it was cut, in our Bicentennial year. Evidently, Virgil Blackman cut this as a memorial of his witnessing the centennial year of our country. It seems a shame that this ledge will have to be blown to widen the road this coming year and the carving will be lost.

From information we have been able to gather, there were several Blackmans in Grafton the last half of the nineteenth century. Frank Dean has an autograph book signed by Virgil W. Blackman in 1919 which states his birth date as 1857, thereby making him nineteen years old when the stone was cut.

Any ideas anyone? After the snow leaves, persons interested in viewing this ledge may do so by driving out the Slab City Road to the Dean Hill or Old Danbury Road. A new culvert was installed last summer out this road a short way. The ledge rises out of the ground on the left hand side of the road about 200' before this culvert, in the widened roadway.

**WARRANT FOR THE TOWN OF GRAFTON
THE STATE OF NEW HAMPSHIRE**

The Polls will be open from 1 p.m. to 6 p.m.

To the Inhabitants of the Town of Grafton in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Grafton on Tuesday, the eighth day of March next, at 1:00 of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. The business meeting to act on the remaining articles in the 1977 town warrant will begin at 8:00 p.m. at the Grafton Town Hall.
3. To see if the town will vote to hear a report of the Budget Committee and to act thereon.
4. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
5. To see if the town will vote to authorize the selectmen to borrow in anticipation of tax revenues.
6. To see if the town will vote to authorize the selectmen to convey by quitclaim deed all property acquired by tax deed or to take any other action pertaining thereto.
7. To see if the town will vote to raise and appropriate the sum of one thousand, one hundred fifty nine and 72/100 dollars (\$1159.72) and thereby receive seven thousand, seven hundred thirty-one and 44/100 dollars (\$7731.44) from the State for town road aid.
8. To see if the town will vote to authorize the expenditure of seven thousand, nine hundred seventy-three and 53/100 dollars (\$7973.53) plus interest of Revenue Sharing money now held in a special account for Tax Mapping.
9. To see if the town will vote to allow monies accumulated through rental of town highway equipment and monies presently in the Capital Reserve Fund, to be used for the purchase of highway equipment by the Road Agent with the consent of the Selectmen.

10. To see if the town will vote to make the position of Tax Collector a three year assignment beginning in 1978, instead of one year as it is at present.

11. To see if the town will vote to appropriate the sum of three hundred dollars (\$300), or portion thereof, to be given to the Upper Valley Senior Citizens Council to partially defray program costs. (This is the quota assigned to Grafton by the Council for the Meals-on-Wheels Program).

12. To see if the town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations, or other purposes, in the amounts indicated; and, further to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements (approximately \$8000 in 1977) are reduced, or take any other action thereon:

Town Hall Maintenance	\$ 650.00
Landfill Fund for Land Acquisition	2,500.00
Town Hall Fund for Town Office Addition	4,000.00
Purchase Fireproof File Cabinet(s)	500.00
for Town Files and Records.	
Purchase Typewriter and Calculator	350.00
for Town Office.	
TOTAL	\$8,000.00

Given under our hands and seal, this 9th day of February, in the year of our Lord nineteen hundred and seventy-seven.

ROAD AGENTS REPORT

This past year two old wooden bridges were replaced with Duncan Fund monies — also a large culvert on Dean Hill, and one in the Wild Meadows.

No T.R.A. was used in 1976.

Brush was cut and removed from many corners, which had become very blind.

The town did a large amount of work on the Prescott Hill Road. This road will also require a lot of work in the future.

JOHN F. BASSETT
Road Agent

REPORT OF TRUSTEES OF TRUST FUNDS FOR 1976

During 1976 the trustees continued programs to support the town ambulance and to reimburse qualifying residents toward medical expenses. Both programs will be maintained in 1977. Other specified trust fund responsibilities were fulfilled and additional funds were reinvested in bank certificates of deposit paying maximum rates of interest.

\$1,650 of income from the Kilton Doctor's Fund was paid toward equipment and operating costs of the Grafton ambulance, in which well-trained volunteers provide 24-hour medical emergency and transportation services that are otherwise unavailable to residents of the town. \$1,053 of income from the same fund was paid to 106 persons, resident in Grafton at least two years, who presented receipted bills for physical, dental or eye examinations.

\$854 was paid from the Kilton Doctor's Fund income to reimburse the town the cost of supporting the Mascoma Area Health Council. At a per capita cost of under \$1.90 the Council makes available well-child clinic, visiting nurse, physical therapist and home health aide services certified by the New Hampshire and United States governments, as well as representing the town's interest in obtaining other health benefits.

The trustees turned over interest from prescribed trust funds to the town for cemetery care and library support. Money from the capital reserve fund, administered by the trustees, was transferred to the town for its new road grader.

SELECTMEN'S REPORT

The Selectmen see 1976 as a year of ups and downs, some changes, some problems, some progress, some hope for the future. At the end of 1976, our view is that things have leveled off in pretty fair shape and 1977 looks like it might be a reasonable year.

Although it was a year of financial problems and changes, it probably wasn't much worse than many others before it. Among other activities, the selectmen re-assessed the whole town for property tax purposes, a subject we are all a little tired of hearing about. Even though the result was painful for most of us, the tax situation is now on a sounder basis and it is hoped that next year's tax change, if any, will be minimal. Many aspects of the tax picture are, of course, outside the control of the town.

During the year we took another step along the road leading to a tax map with its supporting data required by 1980. The firm, Planning Maps, Inc., was contracted to do this work which will take three years to complete. Since it is in the best interests of the town, it is assumed that all Grafton property owners will cooperate completely with this firm in its endeavors. With the approval of the current warrant article on this subject, all necessary funds will be available and allocated so that this particular financial burden will be out of the way. The Tax Map File, and the data and records that go with it, should be a most useful tool for the town for many years to come.

Much of the preliminary investigation work for the tax map project was done by the Planning Board, including meetings with various firms and obtaining the necessary bids. Unfortunately, the Planning Board was somewhat hindered in its other efforts by a loss of members. It is now again at full strength, and it is hoped the coming year will see much profitable planning effort, as well as activity bolstering the goals of the town ordinances currently in effect.

A brief statement about the town dump may be of interest. Use of the present dump and the open burning has been extended to July 1, 1977. What the future holds after that date cannot now be predicted. Further extension may be requested. Many discussions have been held with neighboring towns and trash disposal firms with no satisfactory conclusion within the means of the town budget. Establishment of a landfill appears to be a practical solution possible if the right land area can be obtained. At this stage this whole air pollution problem is up in the air.

One of the highlights of this past centennial year was the discovery of a portion of ledge rock chiseled with the date, July 4, 1876 and the name of the Blackman family. The discovery was made by our Road Agent when he uncovered the ledge during work on Slab City Road. It is hoped that a way may be found to preserve this part of the ledge which measures about three by six feet.

One of the changes during the year concerned the Board of Selectmen itself. Due to personal reasons, Wayne Knight resigned from the Board in April, 1976. Alden Dadmun consented to serve by appointment for the remainder of the term. Clint Williams became inactive in September, and was forced to resign in October due to ill health.

While the work of the Board of Selectmen was slowed by having only two members during the latter half of the year, the fact that most tasks did get done, and on time, was due in large measure to the dedicated work of Dorothy Dadmun who acted as Selectmen's Clerk in addition to her other duties for the town. The Selectmen express their sincere thanks to all the town officers and others who contributed so much time and effort to the town, and who worked so well with each other.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage losses due to forest fires in the United States for the past 20 years.

GRAFTON VOLUNTEER FIRE DEPARTMENT

The Fire Department would like to report that during the year, there were 2 house fires, 2 chimney fires, 1 barn fire and 1 grass fire.

I would like to thank all the firefighters that participated this past year at our practices.

A training session was held in March with members of the Hanover Fire Department instructing us in the use of our Scott Air Packs and proper ventilation of a burning building.

Fire extinguishers were sold at the Old Home Day Sale and in November, with the help of the Firemen's Auxiliary, a very successful Hunter's Supper was held.

We would also like to thank the Auxiliary for the monies donated toward the purchase of a fire-band radio that is one of the requirements of the Upper Valley Mutual Aid Association that we joined this past year.

Money is also being set aside each month into a separate truck fund for the future purchase of a new truck.

Respectfully submitted,

PAUL C. GOVE

VOLUNTEER AMBULANCE SERVICE

The Volunteer Ambulance Service has had a very busy year. The group has responded to thirty-seven (37) runs which required emergency care.

Also, the group has just increased it's number of members to fifteen. They have volunteered their time to meet the required courses, plus more, to run a Volunteer Ambulance Service in the state of New Hampshire.

The group wishes you a safe and happy year.

GRAFTON PUBLIC LIBRARY

The Book Sale that has been held at the home of Ruth Leonard closed in the Fall when Mrs. Leonard sold her home and moved to Pennsylvania. Mrs. Leonard has contributed many hours of her time to this project and a large sum of money has been given to the Library.

The Trustee's are now establishing a Trust Fund with a portion of the money that has come from the Book Sales and will be called the "Ruth S. Leonard Library Trust Fund." The interest from this Trust Fund will be used for the purchase of new books for the Library.

BICENTENNIAL REPORT

Theme — Past, Present and Future

Our Bicentennial Committee was headed by Ruth Leonard and was made successful by the people of Grafton. Through several meetings the committee scheduled four programs through the summer.

The first program was our Bicentennial Tea, where our scrolls were signed, the Bicentennial Flag presented, old items displayed, and our scrolls sent off by horse and rider. The second program was an evening of stories which was highlighted by the Cardigan Mt. Boy's Choir. Our third program was on July 3rd — a square dance was held at the Center Common which turned out to be another successful evening. Our last event was an afternoon of music from wars dating from 1776 to 1945.

Other events connected with our 200th anniversary were the selling of flags by the American Legion, ringing the Grafton Center and East Grafton church bells 200 times at noon on July 4th, and the presentation of a plaque on Old Home Day in appreciation of Ruth's Bicentennial Committee leadership. There was also a sugaring-off party and the deliverance of our scrolls to the wagon train at Henniker.

It was a summer that we will long remember. It was one which helped us to remember our PAST heritage — it reminds us of our successful PRESENT — and it helps us to keep in mind America's FUTURE.

1976 — MASCOMA AREA HEALTH COUNCIL TOWN REPORTS OF ENFIELD, CANAAN, GRAFTON DORCHESTER AND ORANGE

The Mascoma Area Health Council, established at the Town Meetings in 1969, will this year start its eighth year of service to Towns of Canaan, Enfield, Grafton and Orange and its second year to Dorchester. Serving a population of approximately 5500 the Council's two nurses provide nursing service in the home and a complete health promotion and disease prevention program. The Council receives referrals from hospitals, local physicians, relatives, concerned neighbors or the patient. The Nurses home visits now average about 210 per month. A Physical Therapist, Elaine Mackin of Enfield, is on contract with the Council and available when needed as are the Home Health Aides.

The free Well Child Clinic, held every month, has an enrollment of approximately 250 pre-school children. These children are eligible to participate in the bi-annual Dental Clinic sponsored by the N.H. State Department of Dental Health. These clinics are now held in Enfield Town Hall, "Whitney Hall", where the Mascoma Area Health Council office is located — telephone 632-7234.

From time to time the Council cooperates with other agencies and the N.H. Department of Health to provide Adult Health Screening clinics and a Womens' Clinic sponsored by the American Cancer Society.

Council support comes from the five towns served on a per capita basis, plus fees collected from Medicare, Medicaid, Third Party Payers and private paying patients. Of necessity we must set a fee for skilled nursing service rendered other than the free clinics. However the services of the Council are available to everyone regardless of ability to pay.

The Council is governed by a volunteer Board of Directors elected from the five towns. Its Medical Policies and Practices are supervised by a Medical Advisory Board consisting of area physicians and nurses.

Susan Schleich, R.N. of West Canaan is Nurse-Director of the Council. Betsy Larison, R.N. of West Lebanon is a full time nurse and our office and administrative duties are assisted by Sharron A. Wheeler of Enfield.

GRAFTON RECREATION COMMITTEE

At the 1976 Grafton Town Meeting, the Grafton Recreation Committee was formed and given the amount of \$300.00 to get the program started.

One of the first goals of the committee was to see if a lot of land could be found in Grafton to be used as a recreation field. As of this report this has not yet been achieved, but is still being worked on.

Our first attempt at an organized field day was held on Old Home Day this past summer, and turned out to be a complete success and a lot of fun for both children and adults.

It is hoped that a skating party will be held this winter and perhaps a swim meet this summer at Huff Beach.

SUPERVISORS OF CHECKLIST REPORT

1976 was a busy year for the Supervisors of the Checklist with the Presidential Primary in February, Town Meeting in March, Primary Election in September, and the Biennial Election in November. We were very pleased that more people took the time to vote this year compared to other years.

Total registered voters in Grafton as of November 2, 1976 was 353.

The new card file system adopted by the State is about three quarters completed and we hope to finish this year.

REPORT OF THE PLANNING BOARD

Because of a delay in having new members of the Planning Board appointed, we were not able to accomplish as much as we had hoped, including having two open meetings. We were able, however, to start work on an official Master Plan as required by N.H.R.S.A. and will continue on that next year. It is also our hope to arrive at some plan to help further the aims of the rules and regulations Grafton presently has, a concern expressed by many townspeople at our open meetings. Finally, we will continue to solicit ideas at scheduled open meetings.
